

UNIVERSITÀ DEGLI STUDI DI TORINO

PhD – XXXII cycle

“Additional positions with and without financial support”

(last update: **8th September 2016**)

PhD School “Natural Sciences and Innovative Technologies”

PhD in Physics and Astrophysics

Additional positions with and without financial support	Updated situation
<ul style="list-style-type: none">- 1 scholarship funded by Istituto Nazionale di Ricerca Metrologica (INRIM). <i>(The awarding of the scholarship is subject to the formalization of the agreement with the Funding Institution).</i>- 1 position without financial support-	<ul style="list-style-type: none">- n. 11 scholarships of which n. 2 reserved to candidates with international qualifications- n. 3 positions without financial support

PhD in Chemical and Material Sciences

Additional positions with and without financial support	Updated situation
<ul style="list-style-type: none">- 1 scholarship funded by JEOL (ITALIA) S.p.A.- 1 scholarship funded by INSTM- 2 scholarships funded by Department of Chemistry	<ul style="list-style-type: none">- n. 12 scholarships of which n. 3 reserved to candidates with international qualifications- 1 apprenticeship position- n. 3 positions without financial support

PhD in Pharmaceutical and Biomolecular Sciences

Additional positions with and without financial support	Updated situation
<ul style="list-style-type: none"> - 1 scholarship funded by SO.RE.MO S.A.M. - 1 scholarship funded by SOREMARTEC ITALIA S.P.A. - n. 1 position without financial support - 1 position reserved to candidates selected from an international mobility programme in which the University of Turin is taking part (COSMIC Project, Action Marie Skłodowska-Curie call H2020-MSCA-ITN-2016) - 2 scholarships funded by BRACCO IMAGING S.p.A. 	<ul style="list-style-type: none"> - n. 11 scholarships of which n. 2 reserved to candidates with international qualifications - 1 apprenticeship position - n. 3 positions without financial support - n. 2 positions reserved to candidates selected from an international mobility programme in which the University of Turin is taking part

PhD in Agricultural, Forestry and Food Sciences

Additional positions with and without financial support	Updated situation
<ul style="list-style-type: none"> - 1 scholarship funded by Dipartimento di Scienze Agrarie, Forestali e Alimentari - n. 1 position without financial support 	<ul style="list-style-type: none"> - n. 9 scholarships of which n. 2 reserved to candidates with international qualifications - n. 2 positions without financial support

PhD in Biological Sciences and Applied Biotechnologies

Additional positions with and without financial support	Updated situation
- 1 scholarship funded by FERRERO TRADING S.A.	<ul style="list-style-type: none"> - n. 8 scholarships of which n. 1 reserved to candidates with international qualifications - n. 2 positions without financial support

PhD School

“Life and Health Sciences”

PhD in Biomedical Sciences and Oncology

Additional positions with and without financial support	Updated situation
<ul style="list-style-type: none"> - 2 scholarships funded by A.D.I.S.C.O. - 1 scholarship funded by University of Turin (reserved to candidates with international qualifications) - 1 position without financial support 	<ul style="list-style-type: none"> - n. 11 scholarships of which n. 2 reserved to candidates with international qualifications - n. 3 positions without financial support - n. 1 position reserved to candidates selected from an international mobility programme in which the University of Turin is taking part

PhD in Experimental Medicine and Therapy

Additional positions with and without financial support	Updated situation
- n. 1 position funded by the University (reserved to candidates with international qualifications)	<ul style="list-style-type: none"> - n. 8 scholarships of which n. 3 reserved to candidates with international qualifications - n. 2 positions without financial support

PhD in Neurosciences

Additional positions with and without financial support	Updated situation
- 1 scholarship funded by Department of Neurosciences	<ul style="list-style-type: none"> - n. 9 scholarships of which n. 2 reserved to candidates with international qualifications - n. 2 positions without financial support

PhD in Medical Fisiopathology

Additional positions with and without financial support	Updated situation
- 1 scholarship funded by Azienda ospedaliera universitaria “Città della Salute e della Scienza di Torino” (<i>The awarding of the scholarship is subject to the formalization of the agreement with the Funding Institution</i>)	<ul style="list-style-type: none"> - n. 8 scholarships of which n. 1 reserved to candidates with international qualifications - n. 2 positions without financial support

PhD in Molecular Medicine

Additional positions with and without financial support	Updated situation
- 1 scholarship funded by Department of Molecular Biotechnologies and Health Sciences	<ul style="list-style-type: none"> - n. 10 scholarships of which n. 1 reserved to candidates with international qualifications - n. 3 positions without financial support - n. 2 positions reserved to candidates selected from an international mobility programme in which the University of Turin is taking part

PhD in Complex Systems for Life Sciences

Additional positions with and without financial support	Updated situation
<p>- 1 scholarship funded by Fondazione Istituto Italiano di Tecnologia</p> <p>- 1 position reserved to candidates selected from an international mobility programme in which the University of Turin is taking part (“CaSR Biomedicine”, Marie Skłodowska-Curie action, call H2020-MSCA-ITN-2015)</p> <p>- 1 scholarship funded by Dipartimento di Informatica (<i>The awarding of the scholarship is subject to the formalization of the agreement with the Department</i>)</p> <p>- 1 scholarship funded by GSK Vaccines S.r.l. (<i>The awarding of the scholarship is subject to the formalization of the agreement with the Funding Institution</i>)</p>	<ul style="list-style-type: none"> - n. 10 scholarships of which n. 1 reserved to candidates with international qualifications - n. 2 positions reserved to employees of companies involved in the industrial curriculum - n. 3 positions without financial support - n. 2 positions reserved to candidates selected from an international mobility programme in which the University of Turin is taking part

PhD School

“Human and Social Sciences”

PhD in Economics “Vilfredo Pareto”

Additional positions with and without financial support	Updated situation
<p>-n. 1 position without financial support</p>	<ul style="list-style-type: none"> - n. 8 scholarships of which n. 1 reserved to candidates with international qualifications - n. 2 positions without financial support
