CALL FOR AWARDING 10 SCHOLARSHIPS “UNITO FOR STUDENTS AT RISK” FOR INTERNATIONAL STUDENTS a.y. 2024-2025

Frequently Asked Questions (FAQ)

1. Can candidates with a foreign qualification enroll at the university?

It is possible to enroll in an Italian university, in an undergraduate degree or a 5-6-year postgraduate degree, if you hold a qualification (secondary school diploma or equivalent) obtained after **12 years of schooling**, providing that this guarantees access, in the foreign educational system of reference, to a degree program equivalent to the Italian one in which the candidate wishes to enroll. In addition, the qualification allows access to an Italian university if obtained after attending at least the last two years in the same foreign education system. If you have obtained a foreign upper secondary school diploma after 11 or 10 overall years of education, this qualification does not allow access to Italian universities unless you integrate the missing year(s).

If a mandatory national entrance exam is required in your country to enroll in university, the same exam may also be required for admission to Italian universities, so make sure you attach it to your online application.

If you still have doubts contact us by email at: internationalstudents@unito.it

4. I am eligible for the undergraduate program (3-year program). What do I have to do now?

If you want to enroll in an undergraduate degree program with free admission, you must sit the Minimum Requirements Assessment Test (TARM), delivered through the CISIA TOLC.

If you obtain or have already obtained a score lower than the thresholds that will be established, you will still be able to enroll but you will be assigned an Additional Educational Obligation (OFA) defined by each degree program. Check the TOLC required by the degree program you are interested in on the course web page:

<https://en.unito.it/studying-unito/programs/degree-programs>

For enrollment in the academic year 2024-2025 the TOLCs taken from January 1st 2023 to October 10th 2024 are valid. You can take the test at any Italian university available.

1. After taking the test, register on the Unito portal by following the link to the tutorial below:
<https://en.unito.it/services/online-services/help-and-support/portal-registration-instructions>
2. Register for the competition for the undergraduate degree programs chosen **by 15th October 2024**, 3 pm by going to your MyUniTo personal page, following the path "Enrollment" (top left) - "Pre-enrolment for free admission courses" and selecting the corresponding grouping.

Based on the course you want to matriculate in and for which you took the TOLC test, **pre-enrol in one of the 5 groups** established by UniTo:

- **Group 1 (TOLC-E)** – programs in: Amministrazione aziendale; Economics and statistics for organizations and Economics (Economia)
- **Group 2 (TOLC-S)** – programs in: Chemistry and chemical technology; Physics; Computer Science; Mathematics; Mathematics for finance and insurance; Materials science; Earth Sciences; Natural Sciences; Herbal products, Chemistry for Sustainable Manufacturing and Optics and Optometry
