UNITA RURAL MOBILITY

How to fill in the Learning Agreement

V01 dated 03/03/2025

1. How to fill in the Learning Agreement? (for international mobility only)

If you are selected for a Rural mobility abroad, you have to fill in the Learning Agreement document. Before you leave, you need to fill in the "**Before the Mobility**" section, by indicating:

- in the first table (page 1): your personal details and those of the sending university;
- in table B: the way in which Rural Mobility activities will be recognised in your study path;
- in the "Commitment" section, you will have to sign the document as trainee.

The Learning Agreement must be approved before the mobility and signed by the [Didactic Responsible for the Mobility of your Course of Study](#) in accordance with the teaching regulations and curricula and/or the Doctoral School.

Once the document has been approved and signed, you can send it to the host institution in order to ask for the signature of the *responsible person at the receiving institution*.

2. For which activities can I apply for recognition of Rural mobility?

Please note that you have until **May, 30th 2025** to change your study plan. More information on the [Study Plan website](#).

You can apply for recognition of:

1. **Internship**, if it is coherent with your course of study and in terms of ECTS with the activities you will carry out during the rural mobility.
2. Credits for "**UNITA Rural Mobility**", available as part of the free-choice activities (TAF D). This option can be selected by students who have the opportunity to include 'free activities from the academic offer' in their career plan within TAF D.
