the Special Conditions and Annexes below, which form an integral part of this agreement (“the agreement”):

- Annex I** Learning Agreement for Erasmus+ mobility for studies
- Annex II** General Conditions
- Annex III** Erasmus+ Student Charter
- Annex IV** Provisions concerning the health emergency COVID-19

The terms set out in the Special Conditions shall take precedence over those set out in the annexes.

SPECIAL CONDITIONS

ARTICLE 1 – SUBJECT MATTER OF THE AGREEMENT

- 1.1 The institution shall provide support to the participant for undertaking a mobility activity for studies under the Erasmus+ Programme.
- 1.2 The participant accepts the financial support or the provision of services as specified in article 3 and undertakes to carry out the mobility activity for studies as described in Annex I.

- 1.3. Amendments to the agreement, including to the start and end dates, shall be requested and agreed by both parties through a formal notification by letter or by electronic message.
- 1.4. In accordance with measures to combat the COVID-19 infection, mobility can take place online (virtual mobility) if necessary, provided it has the objective of mobility for studies covered by this Agreement and agreed in the Learning Agreement for Studies (i.e. "distance learning/training" organised by the host institution, online training, etc.). Mobility activities must be planned to include completion with a mobility period at UniTO (physical mobility), should the state of emergency allow it. If some mobility is done online (virtual mobility) and some at UniTO, the mobility will be "blended".
- 1.5. Should the COVID-19 emergency restrictions persist, physical mobility may be cut short in favour of more online activities (virtual mobility) or a period of interruption between online and physical mobility at UniTO may be introduced, provided all activities are completed by 31/07/2021 and the minimum duration established in the Programme Guide (Art 2.2 of this Agreement) is respected. If continuing restrictions due to the emergency do not allow the Participant to complete their physical mobility at UniTO, an entire period of online mobility (virtual mobility) will also be eligible for their academic activities to be recognised. In the case of exclusively online virtual mobility, there is no mobility grant (Art. 3 of this Agreement).
- 1.6. UniTO guarantees academic recognition of the educational activities whether they are blended and/or virtual, provided they are consistent with the Participant's academic path and agreed in the Learning Agreement. Incoming students must verify also with their Home University whether academic recognition is granted for blended and/or full virtual mobility.
- 1.7. The Participant states that the maximum mobility period covered in this Agreement does not exceed 12 months when taken during their Bachelor's or Master's courses or a 24-month single-cycle course. This total includes other mobility periods that the student may have already carried out abroad for study or Placement/Traineeship under the Lifelong Learning Programme and/or Erasmus+, during the same course.

ARTICLE 2 – ENTRY INTO FORCE AND DURATION OF MOBILITY

- 2.1. The agreement shall enter into force on the date when the last of the two parties signs and it lapses at the fulfilment of all the administrative procedures related to the mobility period.
- 2.2. The minimum duration of the mobility period is 3 months or 1 academic term or trimester. The total duration of the mobility period shall not exceed 12 months, including any zero-grant period, which shall only be used exceptionally. In any case, the mobility period shall be concluded within 31/07/2021.
- 2.3. UniTO will recognise the first day of mobility as Day One, whether it is online (virtual mobility) or physical mobility at UniTO. Mobility will end with the last day of mobility at UniTO, whether online (virtual mobility), physical mobility or blended.
- 2.4. The participant shall receive financial support **from Erasmus+** EU funds for months and days.
- 2.5. Demands to the institution to extend the period of stay should be introduced at least one month before the end of the originally planned mobility period.
- 2.6. The Certificate (called the "Declaration of Mobility") is issued by UniTO at the end of the study period and certifies the actual start and end dates of the student's mobility period, whether it is online (virtual mobility) or physical mobility at UniTO

ARTICLE 3 – FINANCIAL SUPPORT

- 3.1 The financial support from Erasmus+ EU funds for the mobility period corresponds to € 850,00 per month (Euro 28,33 per day).
The final amount of Erasmus+ EU funds for the mobility period shall be determined by multiplying the number of months of the mobility covered by Erasmus+ EU funds specified in article 2.4. In the case of incomplete months, the financial support from Erasmus+ EU funds is calculated by multiplying the number of days in the incomplete month with 1/30 of the unit cost per month. When the mobility finishes, the amount will be recalculated based on the physical mobility declared on the Declaration of Mobility, (Art.2.6). In case of reduction to a maximum of 5 days from the foreseen mobility period (as stated in this Grant Agreement), the mobility period will be considered as completely realized. The Participant can check the number of days the contribution will be calculated over, using INDIRE, the National Erasmus Plus Agency calculator or: https://www.unito.it/sites/default/files/calcolatore_periodo_mobilita_erasmus.xlsx
- 3.2 In addition, the participant shall receive € as a contribution for travel.
- 3.3 The reimbursement of costs incurred in connection with special needs, when applicable, shall be based on the supporting documents provided by the participant.
- 3.4 The financial support may not be used to cover similar costs already funded by EU funds.
- 3.5 Notwithstanding article 3.4, the grant is compatible with any other source of funding including revenue that the participant could receive working beyond his/her studies as long as he/she carries out the activities foreseen in Annex I.
- 3.6 The financial support or part thereof shall be repaid if the participant does not carry out the mobility activity in compliance with the terms of the agreement. If the participant terminates the agreement before it ends, he/she shall have to refund the amount of the grant already paid, except if agreed differently with the institution. However, when the participant has been prevented from completing his/her mobility activities as described in Annex I due to force majeure, he/she shall be entitled to receive the amount of the grant corresponding to the actual duration of the mobility period as defined in article 2.3. Any remaining funds shall have to be refunded, except if agreed differently with the institution. Such cases shall be reported by the institution and accepted by the National Agency.
- 3.7 Shall a repayment be due the institution will not issue the participant's Transcript of Records until the participant repays the financial support of part thereof; if the participant fails to refund the due amount, the Transcript of Records will not be issued.

Only if the Participant has to conclude their mobility at UniTO, will they receive the relevant contribution for the actual days of mobility at UniTO.
