### **ON-LINE MODALITY FOR DEGREE THESIS INSTRUCTIONS FOR STUDENTS**

1. Fill in the form you received by email.
2. On the website of the Department or of the Degree Course, you will find the calendar of the sessions.
3. You will receive an email with the address to access the day of the discussion (attached you will find instructions for using Webex).

We recommend that you do some tests in the days before the discussion.

4. The address to connect to will be available in order to guarantee the necessary publicity of the event.
5. As usual you will define with your supervisor the opportunity or not to use a PowerPoint presentation, opened on your device before the discussion starts and visible to the Board of Examiners through the sharing methods provided from Webex.
6. On the day of the discussion of your thesis, connect to the address you received via email at the scheduled time for the start of the session and make sure you have a valid identification document with you.
7. You will be called to defend your thesis in the order fixed by the calendar.
8. The other candidates will be able to listen to with their microphone turned off.
9. Once the discussion is over, the session will continue with the next candidate.
10. At the end of the presentations, the Board of Examiners will declare the session closed and convoke you again.
11. Once the evaluations have been made, the Webex meeting will be opened again and the President will proceed with the proclamation in the scheduled order.
12. We remind you that when the health emergency phase is over, the University will organize a proclamation ceremony.

13. Instructions for using the service are available at MyUnito by consulting the pages dedicated to Webex using the University credentials (the same ones used to access the institutional mailbox xxxxx@edu.unito.it),
