A.2 DEGREE PROGRAMS WITH A RESTRICTED NUMBER OF PLACES AND WITH A NATIONAL RANKING LIST

Medicine and Surgery taught in English - Hub of Medicine Orbassano and Candiolo

In order to enroll in this degree program with a national restricted number of places with a national ranking list students need to sit a selective admission test (IMAT) and place themselves in a useful position in the ranking list.

the timing and format of the IMAT test are decided by the Ministry of Universities and Research (MUR). There will be one single national ranking for EU candidates and non-EU candidates residing in Italy; while for non-EU candidates residing abroad there is one ranking list for each University

For more information, see the [Medicine and Surgery](#) call for applications and its summary in English.
