The University responsibility:

Our priority at all times is to make sure our University is as safe as possible and minimize the risk to everyone onsite.

- Regularly cleaning our buildings with antiviral disinfectant

Your responsibilities

To help keep yourself and the people around you (including fellow students and staff at the University) safe and to ensure that you are able to benefit from your exchange programme you must:

a) Follow all instructions and rules issued by the University in respect of life on Universities venues.

Information on rules and requirements are available as part of the University's "Coronavirus: updates for UniTO Community" section of our website, which you should familiarise yourself with:
