The project, which involves six European universities in five countries (Universidad degli Studi di Torino, Universidad de Zaragoza, Université Savoie-Mont Blanc, Universitatea de Vest din Timișoara, Universidade da Beira Interior and Université de Pau et des Pays de l'Adour), aims to have a transformative impact on teaching, research and the relationship between universities and the territory, with the aim of providing excellent, student-centred education from a European and transnational perspective.

The **UNITA Green Photo Contest** is an opportunity for the academic community of the UNITA Alliance to share their experiences and visions of sustainability through images. Students, academic, research and administrative staff of UNITA can submit their entries. Registration for the contest is free of charge.
