The payment of the scholarship is subject to the admission to the Master's degree programme and to the resulting enrolment for the academic year 2018-2019. Appointed Committees of each degree programmes directly evaluate the admission to the Master's degree programme chosen by the applicant.

In the event that the applicant is not admitted to the chosen Master's degree, he automatically lose the scholarship - not being possible to enrol for the a.y. 2018-2019 – and, as a result, this will allow potential eligible applicants to be selected from the ranking list.

Students who won the scholarship have to declare the acceptance of the grant by sending an email to [internationalstudents@unito.it](mailto:internationalstudents@unito.it) within 10 days from the receipt of the communication about it – it is included the day when the communication has been sent – otherwise student will automatically lose the scholarship. In the above-mentioned declaration, the winner of the grant must clearly guarantee to not incur in the incompatibility written in the art. 2 of this call for applications; moreover he/she must declare to be aware that the payment of the scholarship is subject to the admission to the chosen Master's degree and to the resulting enrolment for the academic year 2018-2019 in the same programme within the deadlines. In addition, the student have to communicate any change which may occur during the year.

If the winner of the grant will not respect the requirements written in the call for applications – for ex. he/she miss to enrol within the deadlines in the chosen Master's degree – or will withdraw, have to communicate it promptly to the Mobility and International Didactics Office.
