The payment of the scholarship is subject to the admission to the Master's degree programme and to the resulting enrolment for the academic year 2020/2021. Appointed Committees of each degree programme directly evaluate the admission to the Master's degree programme chosen by the applicant.

In the event that the applicant is not admitted to the chosen Master's degree, he/she automatically lose the scholarship - not being possible to enrol for the a.y. 2020/2021 – and, as a result, this will allow potential eligible applicants to be selected from the ranking list.

Students who won the scholarship have to declare the acceptance of the grant by sending an email to internationalstudents@unito.it within 10 days from the receipt of the communication about it – it is included the day when the communication has been sent – otherwise student will automatically lose the scholarship. In the above-mentioned declaration, the winner of the grant must clearly guarantee to not incur in the incompatibility written in the art. 2 of this call for applications; moreover he/she must declare to be aware
