Regulations for the admission into Italian universities of foreign diploma holders starting from academic year 2017-18

Following latest "Procedures for the access of foreign students applying for a study-visa to high education of 2016-2017" (Attachment 1), starting from a.y. 2017-18 enrolments, students holding a foreign high school diploma will be admissible to first cycle degree programmes only if their diploma was gained after at least two years of attendance in the foreign system and if such system involves at least 12 years of global education.

Check in the following regulations (Attachment 1) the specific section regarding US High School diploma holders, [by clicking here](#).
