

Visiting Professor Program Academic Year 2024/2025

TEACHING COMMITMENT: 48 hours

COURSE TITLE

Portuguese Language

TEACHING PERIOD

2nd term

SCIENTIFIC AREA

Portuguese Language

LANGUAGE USED TO TEACH

Portuguese

COURSE SUMMARY

The course offers students extensive study of linguistic, cultural and literary content related to the Portuguese language and Portuguese-speaking cultures, with a particular focus on linguistic and literary elements as found in the works of Portuguese and Brazilian writers.

LEARNING OBJECTIVES

The teaching of Portuguese Language falls within the scope of master's degree language training. By the end of the course, the student should have acquired a good and working command of the Portuguese language in the literary field, understand a wide range of complex texts and be able to recognize their implied meaning. The student should also be able to express himself/herself in this regard using the Portuguese language in a flexible and effective manner, and should demonstrate the ability to produce well-constructed enunciations on literary topics expressed with a secure

control of connectors and cohesive elements of the textual structure (level C1/C2 of the Common European Framework of Reference).

VISITING PROFESSOR PROFILE

The person in charge of teaching should be a professor who can combine solid linguistic competence with the ability to convey cultural, linguistic and literary content related to different Portuguese-speaking countries.
