VP136_ESOMAS

Visiting Professor Program Academic Year 2024/2025

TEACHING COMMITMENT: 24 hours

COURSE TITLE

Statistics

TEACHING PERIOD

2nd term

SCIENTIFIC AREA

Statistics

LANGUAGE USED TO TEACH

English

COURSE SUMMARY

The course covers data analysis, an introduction to elementary probability and statistical inference. The module assigned to the VP will concern a subset of these to be identified.

LEARNING OBJECTIVES

The students will have the necessary familiarity with concepts of data analysis, elementary probability and statistical inference, and will be able to solve numerical exercises on these topics.

VISITING PROFESSOR PROFILE

The VP will possess appropriate qualifications in terms of background and previous studies, which must be coherent with the course topics.
