

## **Visiting Professor Program Academic Year 2024/2025**

**TEACHING COMMITMENT:** 16 hours

**COURSE TITLE**

**Entrepreneurship: Theory and History**

**TEACHING PERIOD**

2nd term

**SCIENTIFIC AREA**

History of Economic Thought

**LANGUAGE USED TO TEACH**

English

**COURSE SUMMARY**

This course deals with some economic issues previously studied in history of economic thought (even though that is NOT a mandatory exam), with a glance on the role of entrepreneur, as well as the cultural, economic and social role of the firm within a social framework. We will be adopting a historical perspective with a special attention to the methodology of the firm.

**LEARNING OBJECTIVES**

Students are required to be able to achieve the capacity to consider the nature of the firm as an economic agent within a general theoretical and historical acknowledgment of the present economic system which is constantly changing.

---

### **VISITING PROFESSOR PROFILE**

VP is required to cover the historical part of the course, specifically aimed to describe the development of industrial system in the US, Japan, and other European countries.
