COURSE SUMMARY

Democracy; Separation of Powers; The Rule of Law; Courts with Constitutional Jurisdictions; Human Rights Law; The United Kingdom Constitution; French Constitutional Law; US Constitutional Law and History; The Constitution of the Republic of India; Governments; Parliaments; European Constitutionalism; A New Commonwealth Constitutionalism?

LEARNING OBJECTIVES

The course is divided into three modules. In the first module some general and transversal concepts are addressed: Separation of Powers, Rule of Law, Courts with Constitutional Jurisdiction and Human Rights. The second model analyzes four very significant constitutional systems for their historical and contemporary constitutionalism: the United Kingdom, France, the United States and India. In the third module, the perspective is again transversal with governments, parliaments and potential constitutional developments taken into consideration.
