## Visiting Professor Program Academic year 2022/2023

**TEACHING COMMITMENT:** 18 hours

### COURSE TITLE

**Regional international economic organizations and their relations with the European Union**

### TEACHING PERIOD

2nd term

### SCIENTIFIC AREA

International law

### LANGUAGE USED TO TEACH

English

### COURSE SUMMARY

The course aims at providing with the analytical tools necessary to understand the institutional structure of the regional integration legal system, specifically addressing some of the Regional international economic organizations and their relations with the European Union. In particular, the relations between Latin America and the European Union and the differences between the two forms of regional economic integration will be analyzed.

### LEARNING OBJECTIVES

The course will introduce students to the basics of Regional international economic organizations with its theoretical foundation and its practical application.

During the programme, students will develop the skills to:

- Thoroughly analyse and interpret legal sources, literature and cases on the topic;
- Research and formulate an independent opinion on international legal questions;
- Clearly present your findings both orally and in writing to legal specialists as well as non-lawyers;
- Actively participate in debates over contemporary international law issues;
- Apply your advanced academic knowledge of public international law in a professional context;

- Actively and skillfully conceptualize, apply, analyse, synthesise, and evaluate information in order to form a judgement and reach an answer or conclusion (critical thinking).

#### **TUTORSHIP ACTIVITIES**

N/A

#### **LAB ACTIVITIES**

N/A

#### **OTHER ACTIVITIES BESIDES THE COURSE**

The course will be articulated in lectures, aimed at framing the key issues and providing a critical appraisal of the subject, and in breakout groups, for activities such as discussion, brainstorming, or the analysis of specific cases and problem questions. Video conference will be possible.

---

#### **VISITING PROFESSOR PROFILE**

The candidate should be an expert of Regional economic international organizations ( especially of Mercosur ) from the academic and/or the professional viewpoint. Previous experience in the teaching of the matter, preferably in English, is required as well as international publications on the matter. Practical experience will be as added value. The Visiting Professor should be willing to co-teach the subject in a collaborative way, jointly with the Professor of the University of Torino who will be in charge of the Course, to improve interaction with students in the classroom also through case law analysis and role playing.
