Visiting Professor Program Academic year 2019/2020

DEPARTMENT OF PSYCHOLOGY

TEACHING COMMITMENT: 24 hours

COURSE TITLE

Psychology of the development of intersubjectivity

TEACHING PERIOD

2nd term

SCIENTIFIC AREA

Developmental psychology

LANGUAGE USED TO TEACH

English

COURSE SUMMARY

- Definition of inter-subjectivity in the main theoretical models
- Methods used in the study of inter-subjectivity
- Steps in the development of inter-subjectivity (cognitive, affective and social facets)
- Intercultural aspects (particularly concerning emotion understanding)
- Evaluation tools of emotion understanding

LEARNING OBJECTIVES

The aims of the course are the following:

- the students should know the main theories on the development of inter-subjectivity;
- they should be able to analyze the cognitive, affective and social aspects of inter-subjectivity;
- they should be able to use theoretical analysis tools and to apply experimental, observational and clinical methods.

Specifically, the course will present a tool of evaluation of emotion understanding.

OTHER ACTIVITIES BESIDES THE COURSE

The visiting professor may also hold a seminar for doctoral students, and a lecture specifically dedicated to educators and teachers on development of the emotion understanding and their assessment.

VISITING PROFESSOR PROFILE

Research and teaching experience in several countries, including supervision of doctoral theses, in the field of developmental psychology, in particular concerning the development of emotional competence in typical and non-typical children and adolescents (ASD, learning difficulties, abuse, etc.), from Western and Non-Western cultures, as well as the integration of developmental research and educational practices at school.

Adequate scientific production, both scientific articles and books in the field of developmental psychology and particularly concerning the emotional development.

Qualified international research network.

Experience in developing tools for the evaluation of emotional development and emotion understanding .
