

7 reasons why you should choose UniTo

1 UniTo is a top European University

We are one of Italy's leading universities and rank in top positions in global university rankings (THE, QS, ARWU). As leaders of the UNITA-Universitas Montium European University Alliance, we have a strong engagement in research, innovation, new societal challenges and the European Green Deal.

2 A wide range of degree courses

Choose your study path among 155 programs, 21 English-taught degrees (BA and MA) and a wide range of joint and double degree programs. Our professors and researchers are strongly committed to challenge-based learning. A strong visiting professors program enhances our range of courses each year.

3 Employability

Our MA and PhD programs emphasize synergies with national and international stakeholders and offer a wide range of internships.

4 The UniTo student community International and diverse

4800 international students, approximately 700 incoming and 1500 outgoing students through the Erasmus program for study and traineeship, as well as students from all over Italy ensure a lively and exciting campus life.

5 A strong community commitment:

UniTo ranks among the top Italian universities for its public engagement: open science and dissemination are our priorities. We are deeply focused on building a green and sustainable campus.

6 An affordable campus

Tuition fees and life in Torino are more affordable if compared with other Italian cities. Besides, we offer a wide range of student funding through scholarships and grants.

7 A vibrant campus life, an amazing town, a unique Italian region

We are an urban campus in the heart of Torino – a city with a lively cultural and youth scene which is also most desirable and safe place to study and live. The Piedmont region is home to 5 UNESCO World Heritage sites and is renowned as one of Italy's premier food and wine destinations.
